

Château Saint Germé

EVENT ESTATE GERS

An exclusive-use estate for your wedding

“Since we decided to host weddings at Château Saint Germé, our conviction has remained unchanged: to offer a unique setting worthy of how much this occasion means to you.

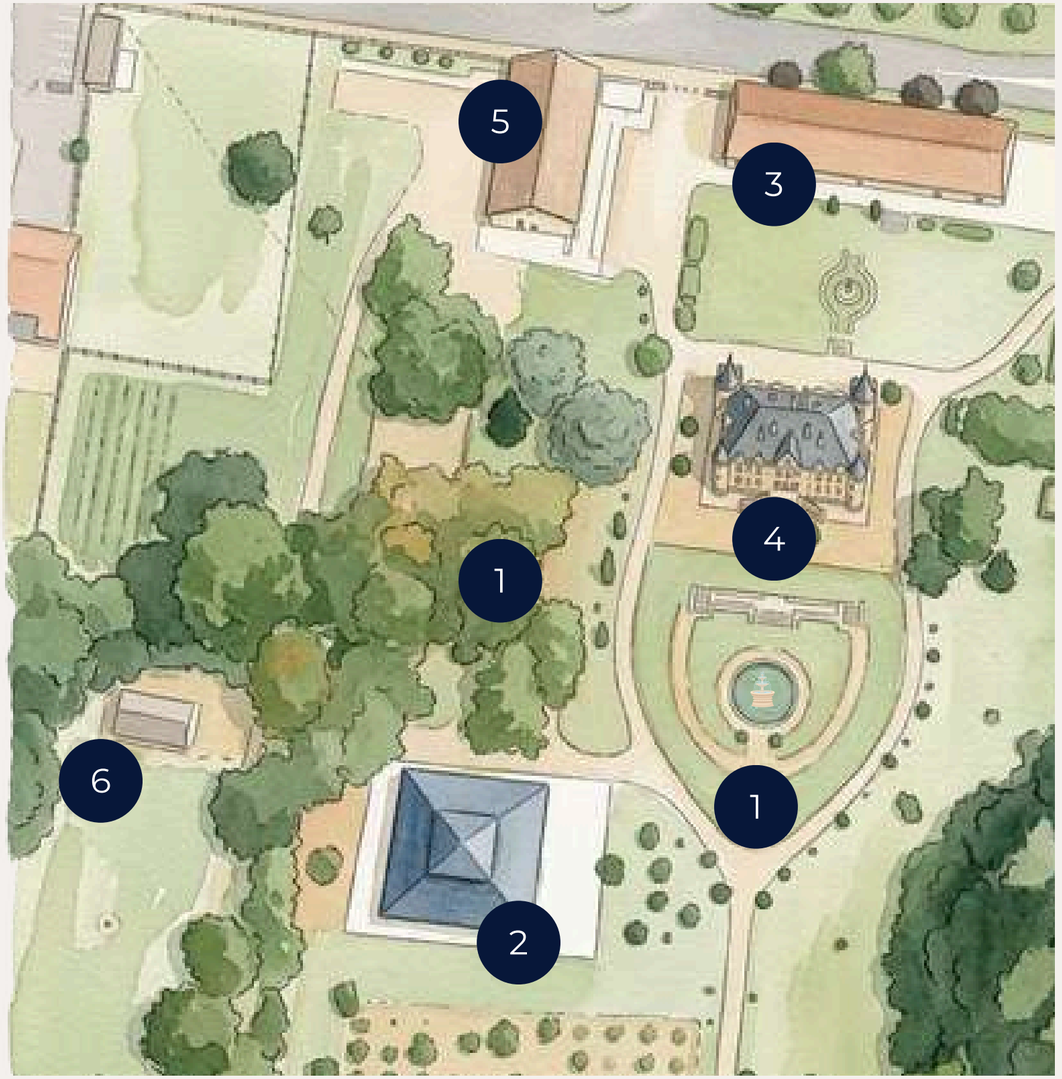

A lively, sumptuous place that becomes yours for an entire weekend.

What moves us, every time, is that precise moment when the couple first discovers the estate: the silence, the smiles, then the sparkling eyes... Something that can't quite be explained, only felt: this is the place.

We wish you a wedding as beautiful as your story.”
