

A photograph of a large, multi-story chateau with a dark blue roof and several conical turrets. The windows are illuminated from within, casting a warm glow. In the foreground, a multi-tiered fountain with several jets of water is active. The scene is set at dusk, with a soft orange and blue sky. The chateau is surrounded by trees and a low wall.

Château Saint Germe

EVENT ESTATE IN THE GERS

The estate made private for your wedding

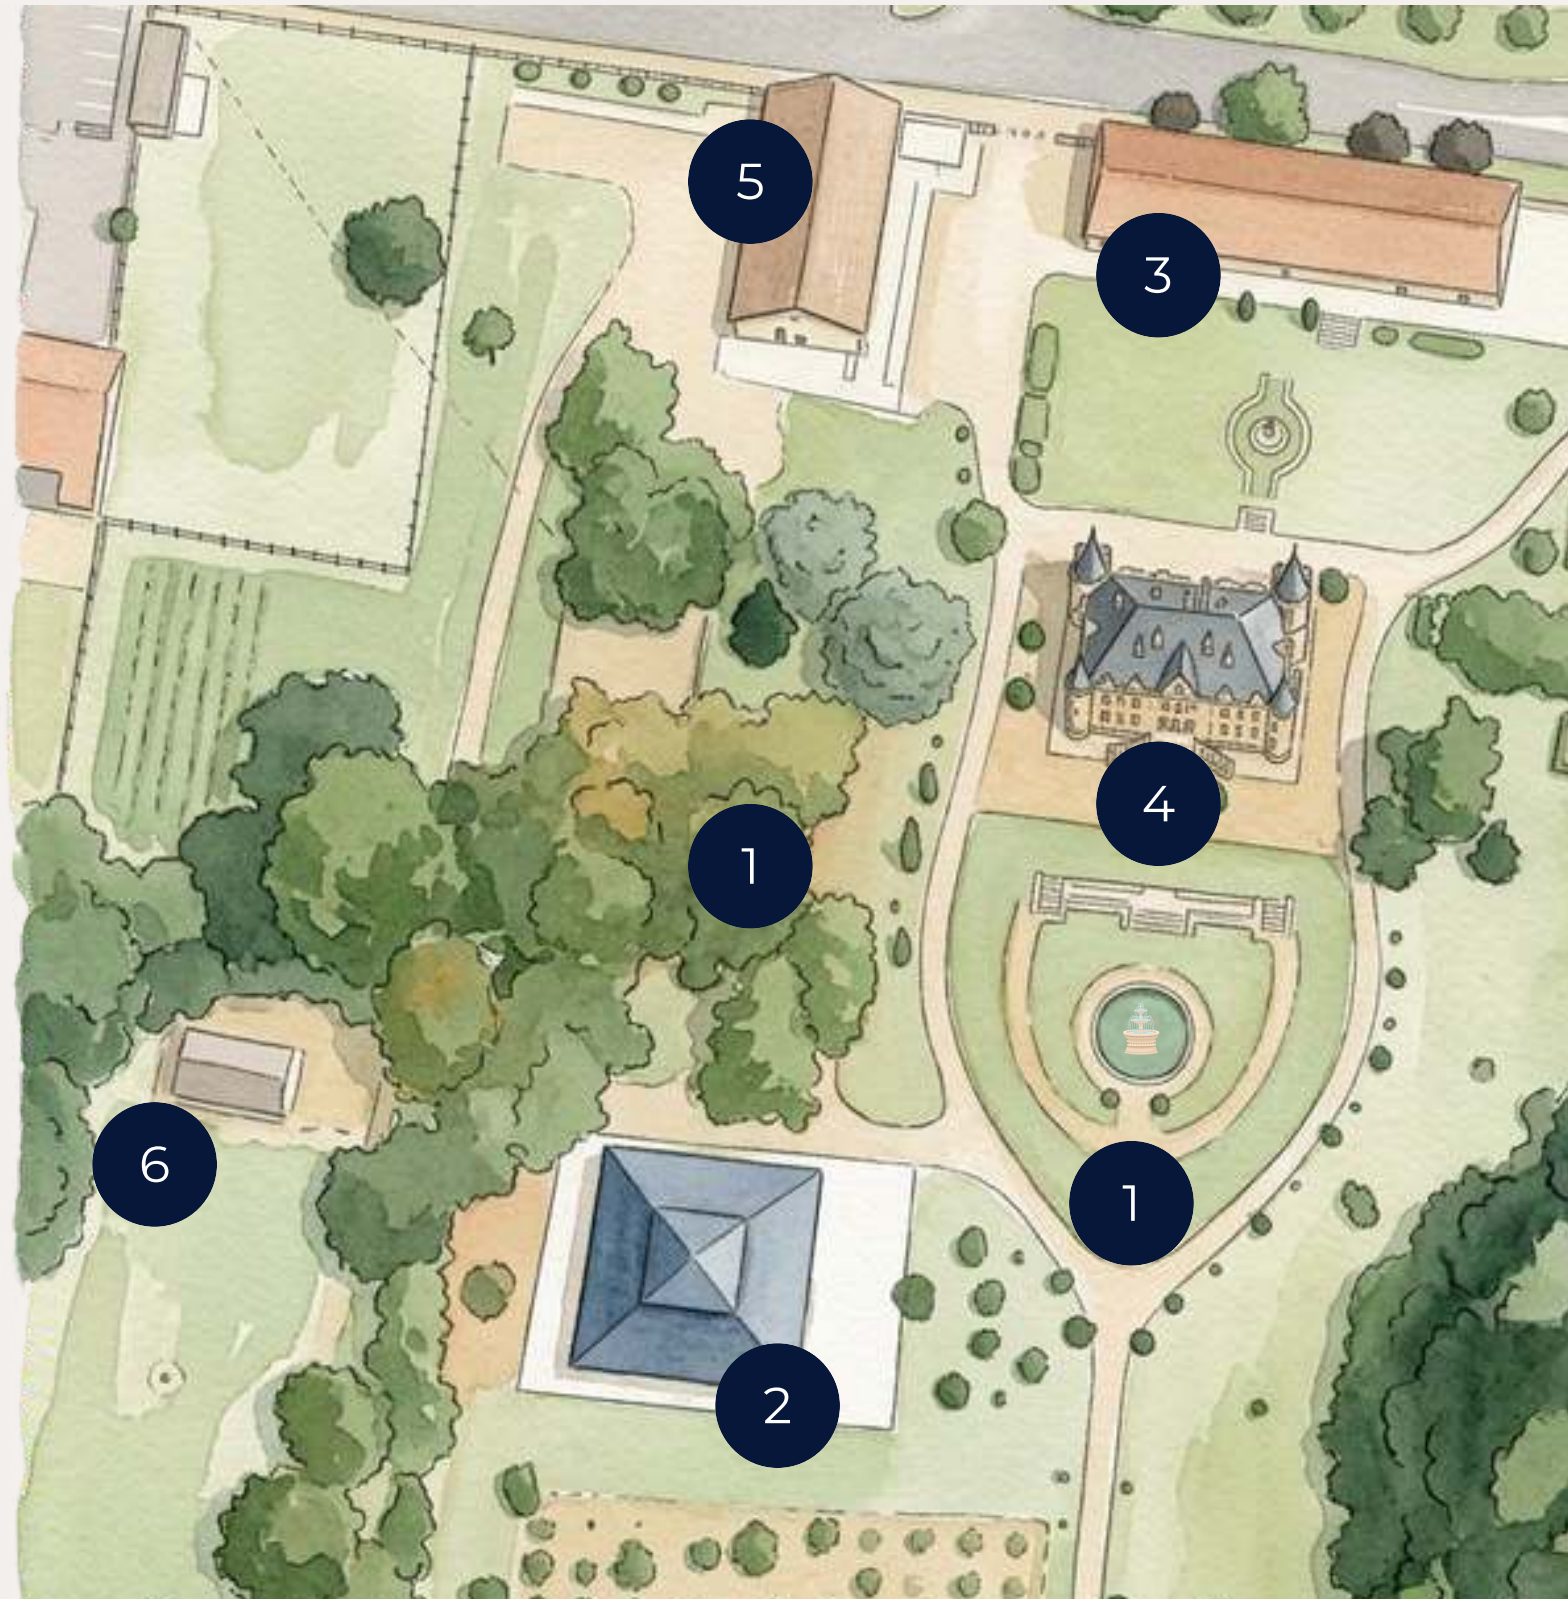

“Ever since we decided to host weddings at the Château Saint Germé estate, our conviction has remained unchanged: to offer a unique setting that truly reflects the significance of your special day.

A vibrant, enchanting venue that becomes yours for the entire weekend. What moves us every time is that precise moment when the couple-to-be first discovers the estate: the silence, the smiles, and then the sparkle in their eyes... It is something you feel rather than explain : this is the place.

We wish you a wedding that is worthy of your love story.”
